

Recruit Release Notes

Changes Launching
2015-02-19

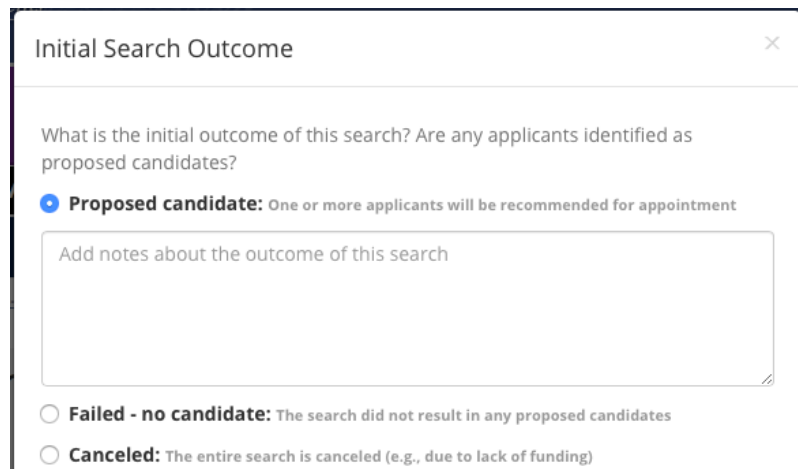

Approvals

We added an **applicant pool reminder email** sent out for recruitments whose applicant pool reports have not been submitted for approval. The emails are sent around the close and final dates of the recruitment, and go to the people who

Recruitments

When a user selects the initial search outcome for a recruitment, they can now **enter a comment** regarding the selection.

Reports

We added new columns for **disability and veteran status** to the Applicant & Diversity Survey Data report.
