

Recruit Release Notes Changes Launching 2016-07-14

Search Waivers

We've uploaded the **search waiver guidelines** links for UC San Francisco and UC Berkeley's production sites. If your campus's search waiver guidelines are finalized, send us the link and we can add it to your Recruit site as well.

Ethnicity Tracking

Create a new search waiver

Note that waivers will only be approved after you submit your [search waiver guidelines](#) before submission. **Search waiver guidelines will not be approved until you submit your search waiver guidelines for approval.**

Report Type

Faculty Search Report

- Recruitment descriptions
- Core search committee composition
- Applicant pool composition
 - Only "meets basic qualifications" applicants
 - All applicants
 - Shortlisted applicants - applicants with the status of "Recommended for interview" or later
- Hired applicants - applicants with the status of "Hired"

Recruitment & Retention Report

- Offers - offer data, including reasons why offers were declined

To finish up the ethnicity tracking project, we have updated the **UCOP Hired Report** to properly reflect hired applicants who have used the newer, more robust diversity surveys.
